UPCOMING EVENTS AND PROJECTS

JUNE 2020

-KECB meeting 6/9/2020

JULY 2020

-KECB meeting 7/14/2020

AUGUST 2020

-KECB meeting 8/11/2020

We are still working to Keep Elbert County Beautiful even through the restrictions that COVID-19 has placed on us. We are trying to post at least weekly on our business Facebook page (Keep Elbert County Beautiful) and on our personal page (Keepelbertcountybeautiful Kecb). Our website (kecb.org) is tweaked on an as needed basis-usually to add photos, newsletter, change dates, etc.

We have also had individuals who have adopted the regular habit of cleaning up litter in their neighborhoods. Do you know anyone like this? If so, have them get in touch with us at 706-567-0481 or kecbeautiful@gmail.com and we can provide them with materials in exchange for them reporting the amount of trash they have picked up. New member, Keith Higginbotham, has taken us up on our offer and now reports litter totals for the N. Oliver St. area.

Demetrius Ardister jr, was awarded our 2020 KECB Scholarship. The award was given virtually on May

June 2020

14 but we were able to meet with him later in the month at a time suitable for him. He will be attending Ellsworth Community College in Iowa Falls, Iowa. Demetrius is now a lifetime member of KECB.

We are still working to beautify the Elbert County Public Library. Before more work could be done the County helped to pull out some roots! Thanks!

We hate that our volunteers have to spend time picking up and hauling other people's throwaways! This was found on the very same road as our County Transfer Station!
